

TOWN OF SEEKONK

BOARD OF SELECTMEN'S STATEMENT OF COMMUNITY VALUES

- Provide for public safety and health with well-trained police, fire, ambulance, public works, and public health personnel who are supplied with proper equipment
- Achieve excellence in education in a nurturing climate
- Maintain the rural character of the community through the preservation of farmland and open space
- Protect the environment through conservation, wise use of natural resources, and a strong emphasis on recycling
- Provide for financial stability through long-term financial planning, up-to-date assessment and the collection of revenue
- Care for the elder and special needs populations
- Preserve the history of Seekonk
- Advance the professionalism of the Town's staff, boards, and committees
- Promote a climate of acceptance and inclusiveness within the community

Adopted by the Board of Selectmen on October 10, 2007
